

## Submission Guidelines – Members Only

PaperWorks members are invited to submit digital images of their work for publication on our PaperWorks.info Gallery Pages.

The following guidelines should be followed by members when submitting their work for publication on the paperworks.info website.

- Send up to 6 images of your work.
  - Images should be good quality jpg (JPEG) or tif (TIFF) files. Keep the size below 8MG. If taking the pictures yourself, use the best quality (dpi) setting and largest size (physical dimensions) setting. Do not alter the physical size or dpi of the original. All modifications of the images will be done by the webmistress.
- Send a brief bio and/or artist statement. The text should be two brief paragraphs, with clear and concise wording. Your words will be placed on the page as submitted.
- Include your contact info - email address and personal website URL for posting on your page.

Your submission is a reflection of not only yourself but of our entire organization. So, please take the time to review your submission before pressing the send button.

Email Submissions to: [webmaster@paperworks.info](mailto:webmaster@paperworks.info). Include "PaperWorks Gallery" in the subject line.
